County Clerk announces "I Voted" Social Media Initiative

Facebook Profile Picture Overlay now available

FREEHOLD, NJ – Monmouth County Clerk Christine Giordano Hanlon announced that she has created an "I Voted" Facebook Profile Picture Overlay for the upcoming election on Nov. 8.

This overlay is a free and temporary banner that appears over your Facebook profile picture stating "I Voted" with a voting check mark, as pictured.

By adding this overlay on your Facebook profile picture, you are sharing with your friends and family that you have proudly exercised your right to vote.

"Since this year is a presidential election, it is especially important to get out the word to vote," said Hanlon. "Adding our profile overlay onto your profile picture will show your patriotism and remind your Facebook friends to request a ballot or get to the polls."

This profile overlay is not just for voters who go to the polls on Election Day. Voters who vote by mail, fax, or email are also encouraged to use the profile overlay picture, once they have sent their ballots to the County Board of Elections.

In order to install the profile overlay, please visit the [Monmouth County Clerk's Facebook Page](#) or Facebook.com/MonmouthCountyClerk and click the blue "Use App" button under the page's cover photo.

You will then be brought to ProfileOverlays.com, where you will install the profile overlay onto your profile picture. Click the blue "Start – Create Picture" button to get started and follow the directions to properly install the overlay.

Once installed onto your Facebook profile picture, you can save the image and share it on your other social media accounts, such as Twitter and Instagram.

If you have any questions about installing the profile overlay onto your Facebook profile picture, please email Jennifer.Collins@co.monmouth.nj.us.

For information on voting, please visit the [Monmouth County Clerk's Election Website](#) at MonmouthCountyVotes.com.
