A: ID is required under the following circumstances:

- When voter has been challenged

## Challenger Do's & Don't's

### Challengers Can:

#### 1. Challenge a voter if the challenger believes the voter is **not qualified to vote**.

In order to vote a person must be:

- a United States citizen
- 18 years of age or older
- a resident of the County for at least 30 days before the election
- registered to vote

**A person on probation or parole for a felony conviction can not vote.**

### Challengers Can Not:

#### 1. Challenge a voter for any of these reasons:

They think they know how the voter is going to vote, the race or ethnic origin of the voter or because the voter resides in a particular section of the municipality or county.

**It is a criminal offense for a challenger to challenge a voter for any of the above 3 reasons.**

2. Sit with the district board workers or touch the election materials
3. Sit or stand near the voting machine during the voting hours
4. Challenge the voter directly. Only the district board can ask the voter questions.
5. Wear any campaign buttons, signs or any campaign clothing
6. Harass or intimidate any voters and /or poll workers; or cause disturbances in the polling place.
7. Challenge a voter because the district board asks the voter to affirm his or her residence or asks a first-time registrant by mail to show identification.

## How to Accommodate a Voter with a Court Order

On Election Day, a Superior Court Judge is present to make determinations on election matters. During the 2016 General Election, the Superior Court Judge issued several court orders allowing some voters to vote by machine. In this case, you must allow the voter to vote on the machine and comply with the court order. Call the Board of Elections if you have any questions about this process.

## The Challenge Process

A challenger at the polls may challenge a voter's right to vote.

- \* The challenger talks to the poll workers regarding the challenge and is not to speak to the voter directly.
- \* A challenger must complete and sign an affidavit stating the reason for the challenge (see sample of the *Challenger Affidavit Form C2/C4* below).
- \* A poll worker reads the *Information Sheet (C-3)* to the voter.
- \* The voter must provide identification and sign the *Challenger Affidavit Form*.

- \* The voter must provide identification and sign the *Challenger Affidavit Form*.
- \* The poll workers must vote to determine whether to allow the challenged voter to vote or to uphold the challenge.
- \* If the majority of the votes are in favor of the voter or there is a tie, the voter can vote on the machine.
- \* When the poll workers vote to uphold the challenge the voter is not permitted to vote on the machine.

## Results of the challenge in the poll book

- \* A voter who is not permitted to vote on the machine as the result of a challenge can appeal to a Superior Court Judge presiding at the Superintendent of Elections office on Election Day.

**Please Note: Challengers are responsible for keeping track of their constituents, you do not need to provide them with voter turnout figures.**
