Voting at the Polls on November 3, 2020 Frequently Asked Questions

How will I know where my polling place will be located?

The Board of Elections will be choosing a limited number of Polling Places available for voters on Election Day, *where only Provisional Paper Ballots will be available* for voting unless the voter is disabled. A *Provisional Paper Ballot is similar to voting on your VBM Ballot*, but is counted after all the mail-in ballots are counted. You will be receiving a post card notifying you of the polling location in your municipality. Polling locations are listed on our webpage, MonmouthCountyVotes.com

Will I be receiving a Sample Ballot?

NO, because this is a primarily vote by mail election, you will be receiving a VBM ballot, which will be the ballot that you will cast your vote. Samples of the mail-in ballot are posted on the County Clerk's website at www.MonmouthCountyVotes.com to view and will be available at the polling location.

Monmouth County 2020 General Election Frequently Asked Questions for the November 3 General Election

Will I be permitted to vote in-person on a voting machine if I go to my polling place?

Only disabled voters will be permitted to vote on voting machines on election day. All other voters will be given **paper provisional ballots**.

A Provisional Paper Ballot is similar to voting on your VBM Ballot, except that it must be verified after the election and is counted only after all of the mail-in ballots are counted.

We urge you to use your VBM Ballot, as Provisional Ballots are counted last and must be checked against the VBM Ballots that have already been cast before they are accepted and canvassed.

Do all provisional ballots get counted?

ALL provisional paper ballots that are properly cast are canvassed and counted, after all of the mail-in ballots are counted.

Will I be notified if my provisional ballot is rejected?

YES. The Board of Elections will notify you of the reason why your ballot was not counted.

How will I vote if I am disabled and require an accessible ballot?

If you have a disability and need an accessible ballot for voting at home, please contact the Monmouth County Clerk's Office at 732-431-7790 or you may go to your assigned General Election polling place, which will provide access to an in-person accessible voting device on General Election Day.

When will we know the results of the November 3, 2020 General Election?

Due to the challenges of this unprecedented election process and the time allotted to receive ballots and counted by the Board of Elections, the results may not be available on election night. Every effort will be made to provide results as quickly as possible. The Governor's Executive Order gives the County Board of Elections until November 20, 2020 to count the ballots.
